

Local 20 Members Proud To Help St. Luke's Hospital

Local 20 Journeymen received an award for participating in the St. Luke's Hospital 'Children's Spot' donation project. Front row left to right: George and Kay Augare, Larry Hillig, Mike Pratt and Local 20 Business Manager Galen Beem. Back row left to right: Walter Smith, Paul Post, Matt Lloyd, Bill Post and Chris Freeman. Not pictured: Forrest Hillig, Lonnie Newberry, Marlon Smith and Renny Pigue.

Local 20 members busy getting the job done for handicapped children at the St. Luke's Hospital 'Children Spot'.

Roofers Local 4 To The Rescue

When the Roofers from Local 4 in New Jersey learned that the American Legion in Woodbridge, New Jersey Post #87 was in financial difficulty and in dire need of a roof, they asked to be put on the front line.

A Firestone single-ply fully adhered system was installed with a fiberboard insulation. Materials for the job were donated by Mike Morgan of Bradco Roofing Supplies and Bob Martin, owner of Local 4 signatory contractor Roof Maintenance Systems from Farmingdale, New Jersey. Roof Maintenance Systems also donated all equipment and tools that were necessary to complete the job.

The project was done on Saturday September 30th under the supervision of Local 4 Business Manager Dave Critchley. Local members who so graciously donated their time and roofing skills included Ed Sembler, Mark Flatley, Fred Schaffer, Carmine Mangini, Vic Trasky, Gus Cuntala, Keith Moore and Joe Malinowsky.

A certificate was awarded to Local 4 from the American Legion for their generosity and a luncheon was held after the award ceremony.

The membership of Local 4 is always happy to lend a helping hand and would like to thank Bob Martin of Roof Maintenance Systems and Mike Morgan of Bradco Roofing Supplies for their support in this project.
