STORIES AND EVENTS FROM ROOFING LOCALS THROUGHOUT THE NATION

Boston Roofers Aid Gulf War Vet

A disabled Army Gulf War veteran received a very special “treat” over Halloween weekend as Local 33 roofers replaced the roof on his home. Greenwood Industries Inc., Titan Roofing Co. and Bradco Supply Co. donated 100% of the materials and equipment needed. Manpower was provided by Boston Local 33 members William McColgan, Jason Beauchemin, Richard Racicot, Keith Collins, David Larkham, Steve Giroux, Michael McKinnon, Matt McKinnon, Dan Brousseau and Brian Brousseau. The project was referred by Helmets to Hardhats agent Richard Eckler and Local 33 Apprentice Training Director Ed Rolfe.

Michael McKinnon, Matt McKinnon, David Larkham, homeowner Jarrod, William McColgan, Dan Brousseau and Brian Brousseau stand proud in front of a job well done.

LA Volunteers Re-roof Church

Members of Roofers Local 36, Los Angeles, CA, volunteered to install a new roof on a church across the street from the union hall. Organizer Jose Padron, William Link and Eduardo Morales donated their time and skills and were assisted by union brother Fred Lucero—the church minister—who also volunteered his time.

Local 36 members Jose Padron, William Link and Eduardo Morales work on the church roof, Jose torching the detailing of the roof corner while Eduardo torches the smooth at field.
